Whom I May Concern,

Our client is in need of his tax record for the Tax Year                      his tenure in the organization was during the following periods:

We have exhausted his formal petitions of 4506-T, they are not showing a record of their W-2's and he is requesting this information from your organization to proceed with the necessary course of action.

His information is as follows:

Tax Payer:  
Social:  
DOB:

We are including in this letter a copy of his passports and visas for your records and identification, we expect that this information be provided to us with his consent.

Respectfully,

Liborio Reyes
